Dear Sir:-

I'm enclosing two each of the scrip money we used last summer in a merchandising campaign.

Due to the heavy demand we have had for samples, I am not permitted to send more than two sets upon any one request.

If you will have the other society you mentioned and your foreign friends make this request directly to us, I will be very glad to supply them with two sets each without charge.

Please have them enclose a self addressed stamped envelope.

Very sincerly yours,

M. L. HUTCHENS
